STORE / SUPPLY ROOM

- Maintain a small store or supply room for resale to residents. ResidentMarket™ will maintain inventory levels and suggest orders based on your requirements.

RESIDENT SHOPPING LISTS

- Save space by ordering for residents using a computer or tablet kiosk. Orders are delivered by resident to the facility. Receiving and distributing is a simple touch screen operation.

REVENUE CENTER

- Mark up products for resale and produce invoices for billing or integrate with your facility's system. Powerful reporting tracks costs, inventory and profit margins, all dashboarded for your convenience.
